The Washtenaw Regional Board of Directors met on January 28, 2022 to plan exciting upcoming events for our members. We kicked off February with:

February, Galentine's Gift Exchange

Our Galentine's gift exchange in February 14 was a huge success. Members who wanted to participate put their names in the "hat" and were matched with another member. Surprise gifts were left at member's home or office. This is the second annual Washtenaw Region Galentine's event and given its success, may become something we do every year.

UPCOMING EVENTS

- Trailblazer's Panel Discussion,
- Tea Haus Charity Event to benefit Girls Group,
- Health and Wellness Event (look for an outdoor event when it's warmer outside).
